The Lord is lead - ing me to - day, His love shines all around; Delight I find along the way, de - light a - long the way. Soon the great call for me will
Delight I find along the way, delight along the way.

The Lord is lead - ing me to - day, His love shines all around; De - light I find a - long the way. Soon the great call for me will
Delight I find along the way,

come, From Him no more again to roam, no more a - gain to roam, No more again to roam, For I am homeward bound!
I'll lay my ar - mor down, From Him no more a - gain to roam, No more again to roam, For I am homeward bound!

come, From Him no more again to roam, From Him no more a - gain to roam, No more again to roam, For I am homeward bound!
I'll lay my ar - mor down, From Him no more a - gain to roam, No more again to roam, For I am homeward bound!
